Subject: Land at A39/Stogursey Lane, Cricket field, Nether Stowey

Dear Mr Roberts (Nether Stowey Parish Council)

Greenslade Taylor Hunt have been instructed to act on behalf of the Jeanes family regarding the Land on the A39, Stogursey Lane.

For clarity, we have been instructed to sell the parcel of land to a National Housing Developer which we intend to do in conjunction with some other neighbouring land. This will be actioned immediately should the T2B policy not be successful. We would expect this to move quickly considering the Labour Government's drive to build more housing.

We will be in touch in due course once the Jeanes family understand the position of the Parish Council post the Village Consultation on Saturday 22nd February.

Kind regards,

Martyn J Venner BSc (Hons) MRICS
