Nick's Gardening Notes

June 2026

June continues to be a busy month with plenty to do in the vegetable, fruit and ornamental garden. Keep an eye on water-feeding when necessary, and pest, disease and weed control are all important. Whenever possible try to avoid chemical treatments. With the dry spring we are experiencing it is worthwhile considering how we save rainwater. The more water butts we can have the better and do remember that butts can be linked to each other to save more valuable rainfall. Anything we can do to reduce using mains water is important, particularly if you are on a meter and in future months we may be experiencing a hose pipe ban.

Vegetables: Many vegetables can continue to be sown to provide a succession. This includes lettuce in its many forms, rocket, salad onions, radish as well as carrots, beetroot, peas and dwarf beans. Mid-June to mid-July is the ideal time to sow Florence fennel to avoid it running up to seed (bolting) and still providing time to produce good sized bulbs.

If not planted out in the latter part of May outdoor tomatoes and any other frost tender vegetables such as runner beans, courgettes and sweetcorn should be planted and transplant any brassicas and leeks. Leeks are increasingly susceptible to leek moth and will benefit from being covered with fleece or Enviromesh. Keep potatoes regularly earthed up to prevent green

potatoes and reduce weeds. By mid-June allow asparagus foliage to develop and manufacture carbohydrates which are stored in the plant's fleshy root system. Apply a dressing of general-purpose fertiliser to boost growth and give a good watering if necessary. This will lay a foundation for next year's crop.

Cabbage white butterfly seems to appear earlier every year so make sure small mesh netting is effectively covering all your brassicas.

The greenhouse: Plenty of ventilation and glass shading can help to reduce high day time temperatures. Try to avoid tomato plants drying out as this stresses fruit formation and can cause blossom end rot on tomato fruits (a black sunken depression on the blossom end). Keep tomato and cucumber plants regularly trimmed so the plants energy doesn't go into unwanted growth.

Fruit: Strawberries will be ripening and should have straw or matting placed under the fruits to stop soil splash and should damp weather prevail check for fruits with grey mould (botrytis) and remove to avoid it spreading to healthy fruits. Protect strawberries and redcurrants from birds with netting and should it be dry ensure adequate moisture to promote good sized fruits. The new growth of redcurrants and gooseberries can be summer pruned cutting back to five leaves. Heavy sets of plums, apples and pears can be thinned to help increase fruit size and avoid branch breakage.

Flowers: Biennials such as Sweet William and foxglove can be sown in trays or pots as can wallflowers, winter flowering pan-

sies and polyanthus for next year. Remember to regularly dead head perennials following flowering and check any plant support that is required. Strong healthy shoots on fuchsias and pel

argoniums will make good softwood cuttings. Towards the end of the month some early flowering perennials such as Pulmonaria (lungwort) and oriental poppies can start to look tired and cutting back will tidy them and encourage a second flush of foliage and often more flowers.

Shrubs and climbers: plants for free are always welcome and now is the time to take cuttings from many of our shrubs. These are soft wood cuttings and can be taken from shrubs such as berberis, cornus, hebe, deutzia, philadelphus, ribes and weigela. Plants that have been grafted or budded such as roses, fruit trees and some ornamental trees may have thrown up suckers from the rootstock. These should be removed carefully as close to the rootstock as possible. Keep on top of training and tying in strong new shoots on climbing and rambling roses. At their base they are comparatively weak and strong winds can break them. Ensure that any container grown shrubs that have been recently planted are kept well-watered to aid establishment. Spring flowering shrubs that have completed their flowering, such as Berberis darwinii, can be pruned. Removal of some older stems soon after flowering allows the development of new growth which will ripen and produce flowers next year.

Yes, it is a busy month!

The Latest from the Cricket Club

The new club flag is flying high at the ground and the season is well and truly up and running, with all teams having played it has been a case of mixed fortunes.

The 1st XI were due to start their campaign on May 2nd but Brompton Ralph conceded the game and so we were awarded 35 points without a ball being bowled! The following week (9/5/26) the 1st XI played Crowcombe in a low scoring encounter and lost by 2 wickets. Over Stowey 124 all out: Crowcombe 129-8.

The 2nd XI played a strong Carhampton side and were comprehensively beaten by 223 runs, it must be mentioned that six catches were dropped by Stowey which obviously did not help the cause.

Our youth sides have also begun their fixtures and I have highlighted the results below:-

Under 11's *Games played on Sundays at 10am.

3/5/26 v Huntspill Hurricanes (match abandoned)

10/5/26 No Game

17/5/26 v Butleigh Thunder (yet to be played)

Under 13's *Games played on Fridays 6pm.

1/5/26 v Stogumber : Over Stowey 246 lost to Stogumber 259 by 13 runs

8/5/26 v Taunton Vikings: Over Stowey 317 beat Taunton Vikings 256 by 61 runs

15/5/26 v Wiveliscombe (yet to be played)

Just a few reminders, the club are holding their annual fund raising BIG BASH over the weekend of 27th/28th June and if you want to keep up with things going on at Over Stowey Cricket Club then please visit our excellent Facebook page. Also, if you are at all interested in getting involved in our wonderful club, either as a player/coach/umpire/supporter/sponsor then why not swing by the ground and have a chat.

Panna Cotta with Poached Rhubarb & Ginger

As summer approaches and the last of the garden rhubarb lingers, this classic Italian panna cotta is the perfect light dessert. Served with gently poached rhubarb and ginger, it is fresh, elegant and simple to prepare.

Best made the day before so it has time to set fully overnight.

Ingredients

For the Panna Cotta

- 2 platinum gelatine leaves
 - 450ml whipping cream
 - 150ml whole milk
 - 25g caster sugar
- 1 vanilla pod (or 1 tsp vanilla paste)

For the Rhubarb

- 250g rhubarb
- 1cm piece fresh ginger, peeled and finely grated
- 20g caster sugar
- 2 tbsp grenadine syrup

Optional: squeeze of orange juice or a little lemon zest

To Serve

- Fresh mint leaves

Optional soft summer fruits

Method

Prepare the Vanilla

Place the vanilla pod on a chopping board. Using the back of a small knife, press firmly along the length of the pod a couple of times to soften it. Split the pod lengthways and scrape out the seeds.

Add both the pod and seeds to a saucepan.

Make the Panna Cotta

Soak the gelatine leaves in a bowl of cold water for 6–7 minutes until softened.

Add the cream, milk and caster sugar to the saucepan with the vanilla. Heat gently over a medium heat, stirring occasionally, until the mixture just begins to simmer. As soon as the first bubbles appear around the edge, remove from the heat.

Lift the gelatine from the water and squeeze out any excess liquid. Add to the warm cream mixture and whisk until completely dissolved.

Pass the mixture through a fine sieve into individual serving glasses or dishes. Martini glasses work particularly well for an elegant presentation.

Chill for at least 4 hours, preferably overnight, until set.

Prepare the Rhubarb

Cut the rhubarb into roughly 2cm pieces.

Place in a bowl with the grated ginger, caster sugar, grenadine syrup and, if using, a squeeze of orange juice or a little lemon zest. Leave to macerate for about 40 minutes.

Transfer the rhubarb mixture to a small saucepan and bring gently to a simmer. Cook over a low heat for 2–3 minutes until the rhubarb is just tender but still holding its shape. Remove from the heat and allow to cool completely.

To Serve

Spoon the cooled rhubarb and syrup over the chilled panna cotta. Garnish with a small mint leaf and serve with fresh berries if desired.

Enjoy.

From King's Award To The King

Many of you will be aware that, last November, the Thomas Poole Library here in Nether Stowey received the King's Award for Voluntary Service, equivalent to an M.B.E. for an individual. One result of this honour is an invitation for two representatives from the subject organisation to attend a royal garden party. Lynn Scales co-ordinates the volunteers within the library and we were both pleased to be asked to go to London.

It's not a cheap day out. Lynn required a new frock and accoutrements and, having retired some years ago, my own suit was in need of updating. On top of this, a hotel for a couple of nights and the train would allow us to make the most of the occasion.

On Tuesday 12th May we got to Buckingham Palace where it was clear that we were two of a significant number of invited guests. Many military uniforms were present both from this country and from abroad and we noted a lot of clerical outfits and colourful examples of National Dress.

For refreshments I was disappointed that tales of rapidly refilled wine glasses were inaccurate, this turning out to be an alcohol free event. So I took my tepid tea and little wraps and cakes and later, with the crowd, formed two lanes leading from the rear of

the palace to another marquee reserved for the Royal guests and 'Corps Diplomatique' to which we were not invited. In due course, the King and Queen left the palace and each traversed one of the lanes, all under the watchful eyes of the Yeomen of the Guard, resplendent in their distinctive red uniforms with pikestaffs at the ready. The Royal Couple spoke to pre-selected groups from the invitees as they made their way to their own refreshments.

We had a walk round the gardens which, together with the adjacent Royal Parks, make a peaceful oasis in that part of the capital and then we left to go and find some 'proper food'. All in all though, a great experience and a honour that we won't repeat as we understand that you are only allowed to go to one such party.

Ron Scales

Notes from Nether Stowey Parish Council

The Annual Parish Meeting and Annual Parish Council meetings were held on 11 May. The Council thanks those who attended and those local organisations who provided their reports for their support. For those who didn't, the Chairman's Report for 2025/26 and the organisations' reports are available on the Parish website. No issues were raised by

the attending parishioners.

At the Annual Parish Council meeting later that evening, John Roberts was re-elected as Chairman, and Kevin Ferriday as Vice-Chairman. It was agreed to award grants to the Nether Stowey Short Mat Bowls Club for equipment and to Nether Stowey School for football equipment.

The Parish Council is always keen to support local groups and activities which enrich the lives of so many of our community. If your organisation would like to apply for a grant, please contact Caro for details or there is information on our website on the Local Organisations page.

Following many reports of inconsiderate, and sometimes dangerous parking, Somerset Highways will be painting double yellow lines along a section of the road in front of the Post Office. Although it is recognised that parking space is in very short supply in the village, cars are often parked at the junction of Lime Street, Castle Street and St Marys Street in a way which restricts or removes the ability to see around the junction and also forces pedestrians into the road. Accordingly, it was felt that action is required to address this situation.

Parking on the Cross is meant for loading and unloading only but more recently cars are being parked overnight. On occasion this has resulted in the wooden bollards being knocked over, with endless repair costs. In addition, some drivers have taken to lifting the wooden bollards to allow access. As a result, new cast iron bollards will be installed around the Cross which will not be removable and which will be more resistant to being knocked down. They will, we believe also look more in keeping with the look of the Cross, rather than the many

that are damaged and/or rotten.

As many residents are aware, there are three footpaths which cross the A39 and which are not served by either of the pedestrian crossings at the traffic lights. Accordingly the Parish Council requested that road signs be installed in both directions along the stretch of the A39 between the traffic lights, warning drivers that there are pedestrian crossings. We are pleased to say that Somerset Highways have agreed and will be installing these signs in the near future.

We are pleased to say that the Parish Council has purchased two new benches for the use of the village. One will be on the path from Banneson Road to the playing field and the other will be on the grass area behind the old garage on the path to Oak Road.

The Parish Council is still looking for new members by co-option. If you would like to make a difference to the community, please contact me or see the information on our website at <https://netherstowey-pc.gov.uk/your-parish-council/vacancies-and-co-option>.

The next Parish Council meeting is on Monday 8 June at 7 pm at the Church Centre.

June 2026

Over the last few weeks, I have been told about several people who are celebrating a significant birthday – one with a ‘zero’ as the second digit! If you are one of these folk, may I wish you a very happy birthday! Whether you will celebrate alone or enjoy time with others, I hope you may be able to cherish your years.

At the end of May, the church worldwide celebrated its birthday! The day we celebrate is called Pentecost; the moment the church recalls the arrival of the Holy Spirit giving the disciples the strength, the skills and the confidence to go and tell the story of Christ. Often, after a church service on that day, a birthday cake appears. The candles remind us of the description of tongues of fire that didn’t burn out which surrounded the heads of the disciples as they were filled with the Holy Spirit.

With thanks to those disciples who told that story to their generation and then that generation to the next generation and so on down the generations to us, we continue to celebrate not only the Feast of Pentecost, but also that the church lives today. It lives today to worship God and to tell and live out the story of Christ and his endless unconditional love for all.

So as we blow out candles on cakes this month - whether it is a significant ‘zero’ birthday or a less special one – let us remember that Christ is with us throughout our lives in the joys and the challenges we all experience.

Happy Birthday!

Eleanor

NETHER STOWEY & FIDDINGTON W.I.

We had a really amusing and interesting talk at our meeting on 14th May from John Hardy and his beautiful Guide Dog, Willow, who behaved impeccably.

John lost the sight in one eye unexpectedly in 2014 and 4 years later he lost the sight in his other eye . Prior to losing his sight, John had been a nurse in the Army and has subsequently worked with the St Dunstan's Blind Army Veterans Association.

When John first lost his sight, he was told how important it was to try to get back into being active and doing things that you thought you wouldn't be able to do again, and perhaps learn other skills. After a few months, in 2016 he was given his first Guide Dog, Sydney, who was with him for 8 years; they had a wonderful relationship, or partnership really, and John was amazed at just how clever and perceptive Sydney was. When you acquire a Guide Dog, the recipient has to spend time with the dog before the dog is assigned to that person.

After losing his first dog, he was teamed up with 5-year old Willow. Willow had previously been with a family who had rather over-indulged her, and she weighed 35 kg; so she had to go on a special diet and eventually lost an amazing 11 kg. He was assigned Willow at the beginning of the year, so she still has quite a lot of things to learn, but she is young and keen.

Having a Guide Dog really made a difference to John's life. He has been on many cruises, accompanied by his Guide Dogs, and he also supports various charities and initiatives, such as the Alzheimer's groups. It is incredible that you can train a dog to be so aware of its owner's needs, e.g. the dog will always be at your side unless you are going up or down stairs, when it will either stay at your side, or in front of you when going upstairs, and never in front if you are going downstairs! As soon as you put its "working harness" on it goes straight into working mode and gets on with the job it's been trained to do.

Our meeting on **11th June** will be a visit from Paul Incedon of **SARAID** (Disaster Search & Rescue) an voluntary organisation that rescues and helps people after major disasters across the world, such as earthquakes or

catastrophic flooding.

The trip to **Sidmouth on 27th July costs £14 and the coach leaves from the Fire Station at 9.00 am sharp.** Any available places will be allocated on a "first come - first served" basis. Bookings can be made through either Terry Binding, 01278-732710, or Margaret Harris, 01278-734613.

Our regular meetings are held on the second Thursday of the month, from 2.00 - 4.00 pm in the Church Centre and new visitors are always welcome. Entrance is £1.50 for members and £4.00 for visitors, which includes refreshments and a raffle.

AB.

At the April 2026 meeting, a member of the public who had asked for support from the Parish Council with regard to a proposed accessibility initiative in Great Wood was in attendance.

The proposal is to set up a scheme where people with limited mobility can hire an all-terrain motorised scooter to gain access to some of the walks in the area. Details of the plans for the project were outlined with additional information given regarding potential barriers that will need to be considered and organisations, agencies and other potential stakeholders that have already been approached. All Parish Council members agreed that this should be supported and the Clerk will provide a letter to confirm this as soon as possible.

Work on the cemetery wall will have been completed by the time the Messenger has been published. The Parish Council would like to express their thanks and gratitude to Antler Construct for the support given to the project and the excellent work that has been undertaken. They would also like to thank

the Quantock Hills National Landscape Service (under the Greater Quantock Landscape Development Fund) for providing a grant (applied for by the Parish Council) which will cover approximately 48% of the cost to the Parish Council. The remainder will be paid from the Parish Council Cemetery Reserve fund.

Before

and after

What a transformation!

Also with reference to the cemetery, it was agreed that the fees will be increased in line with the those for the cemetery at Nether Stowey, with some adjustment and a new policy to be put in place for no-resident applications. This is be confirmed at the May 2026 Annual Meeting of the Parish Council.

Forestry England have informed the Parish Council that timber harvesting work at Great Wood in Over Stowey is expected to start around late summer 2026 for roughly 12 months though exact timescales are still unclear. Face to face meetings will be held in the forest to discuss the upcoming operations, dates of these will communicated by Forestry England nearer the time. If you have any questions, you can contact Forestry England at: westengland@forestryengland.uk

There is a small pot of money available for grants and if you represent a group in the parish (or possibly a neighbouring parish) and would like to make an application to the Parish Council for some funding, please contact the Clerk for further information and eligibility.

The Clerk vacancy is still open although interest in the role has been expressed. If the vacancy is not filled, this will be communicated at a later date.

Both Annual Meetings will have been held on Wednesday 20th May 2026 and there will not be a meeting in June this year.

The next meeting will be held on Wednesday 8th July 2026 at 7.00pm at Over Stowey Village Hall,

Please see the noticeboard and website for details.

If you have any concerns or issues you would like to bring to the attention of the Parish Council, please contact the Clerk. If you provide your full contact details, we can then ensure appropriate and relevant items raised are on the agenda for the next meeting.

Problems on the highways can be reported online at [Fix My Street](#) or on the Somerset Council web page [Report A Problem on the Road](#)

Please report any missed waste collections at [Missed Waste Collection](#) if you do not get a satisfactory response, please contact the Clerk.

If you experience any problems when using a footpath or bridleway, you can inform the Clerk or access the online reporting tool at [Somerset Council – Report A Problem With a Public Right of Way](#)

News from the Quantock Medical Centre

Last month we focussed on the work of the Dispensary, I forgot to mention that most months the team process approx. 10,000 items of medication, which really puts the amount of work they do into perspective!

We have an awful lot of information in the waiting area, and we are regularly asked to promote even more! It can be quite overwhelming for patients trying to find what they are looking for with all the posters and leaflets displayed. Whenever I try to

we are very happy to search and print something off for you.

I recently attended a Carers Conference in Somerset which highlighted the amazing job unpaid carers do for their loved ones, partners, friends, parents, and children; which often goes unnoticed and unrewarded. Many people do not identify themselves as 'unpaid carers', and I would like to spread the word and acknowledge these amazing people and ask them to identify themselves at the Practice when they come in, so that we are aware of what you do and offer you more support and help.

Somerset Carers Support Service have gone through a rebranding and are now known as 'Thrive'. Thrive believe that everyone living in Somerset should be able to access the support they need to meet their basic needs in fuel, food, transport and health.

In particular Thrive provide information and support to 'unpaid' carers. They provide useful links with other helpful organisations such as Dementia Support Services, Age UK, Micro Providers who can provide further support in the home when needed, links with Drug & Alcohol support, Eating Disorders Support etc. They provide very helpful Carers checklists to make sure the carer has all the information they need to support them, along with Carers Cafes and Support Groups that bring carers together to share experiences with others so that they know they are not alone. They can also provide training, and support for completion of 'attendance allowance' and other funding applications.

For more information : Somerset Carers Services 0800 3168600, <http://Somersetcarers.org>

I also met a representative from the Devon & Somerset Fire Services who provide free home safety checks, and are particularly focused on people who are at higher risk of a house

fire – can you guess what the main risks are? I certainly wasn't aware of all of them. Apparently, people are more at risk of dying in a house fire if they have the following 4 common denominators:

Live alone and over 65 years old, have poor mobility, smoke, and use emollient creams

Other risk factors include, charging mobile phones overnight. Modern mobile phones only need a fast charge and can charge in 40 minutes and are prone to the battery overheating (never charge on a carpet floor or on the bed). Cooking with fat/ (deep frying), people who smoke & drink alcohol or are on medications that make them sleepy. The Fire & Resue Service would like to focus on targeting the most vulnerable in the community and we would like to promote this services and identify patients who would like a referral for a 'home safety check', if this is you or you are aware of a neighbour or relative who this might apply to, please do talk to them about this and get in touch for us to refer on to this service.

Who Cares

Carolyne's Counselling
& Listening Service

Do YOU need someone to TALK to?

And someone to listen!

'Who Cares' is an affordable Qualified Counselling Service. It offers therapeutic sessions exploring anything that is causing you pain, suffering or hardship. Using an Integrative approach however the core approach is person centred; which means 'YOU' as the person is important, the sessions are directed around 'YOU', at 'YOUR' pace and respecting 'YOU'.
